

GASKET KIT FOR PUSH SET

Article number:

363806

EAN-Code:

4016817026047

For long-lasting performance and customer satisfaction, we recommend using only genuine spare parts. You can rely on finding the right spare part for your cistern, even if it has been in use for many years.

All our concealed and exposed cistern models offer a 25-year availability of authentic spare parts, providing added peace of mind when choosing our products.

PRODUCT CONTAINS

Cup seal for concealed push button hand switch 363822
